ATHLETE of the WEEK

Minnesota's #1 New Car & Certified Pre-owned Volume Dealer

Jaycee Rhodes

While many a golfer dreams of hitting a single hole-in-one during a lifetime on the links, Jaycee Rhodes, a ninth grader at Visitation School and a member of the varsity golf team, has hit three – two of them happened last month.

During non-varsity competition April 25 at Mendakota Country Club, Rhodes shot a hole-in-one on the 143-yard fourth hole with her 7-iron. That perfect shot came less than a week after another, when Rhodes hit a hole-in-one on the seventh hole at Braemar Golf Course in Edina.

Beyond her single-shot

exploits, Rhodes, described as self-effacing by the school, won the April 8 Lake City Invitational.

As for that third hole-in-one, Rhodes shot it last year while playing at Copperhead Golf Course at Lehigh Acres, Florida.
